Dear President El-Refaie ,

I refer to the Training Course on Industrial Property, organized by the Academy of Scientific Research & Technology (ASRT), in Cairo, from June 9 to 20, 2003, which was attended by officials from Jordan and Sudan.

In this connection, and on behalf of the Director General, I wish to express our gratitude to the staff of the Academy of Scientific Research & Technology and to you personally for your continuing support to WIPO's training program for officials from developing countries and countries in transition to a market economy in the field of industrial property.

With best regards,

Sincerely yours,

Mpazi Sinjela  
Director
